Curriculum Vitae

PERSONAL PROFILE

I am an artistic and creative individual with a strong visual imagination and a passion to create. I have huge dreams and aspirations to be the best I can in my field of work and constantly strive to learn and innovate in everything I do. I feel my skills as an artist are incredibly well represented in the work I do and its quality is constantly improving. I work very well under pressure and am able to motivate myself to work alone and with others in a team.
